Subject:

Petition Against Unauthorized and Unexplained Debits on My GTBank Current Account

Body:

I, [Full Name], a customer of Guaranty Trust Bank Plc, holding a current account numbered 0033554422 at the Kubwa Branch in Abuja, wish to formally bring to your attention an alarming and distressing issue concerning unauthorized and unexplained debits from my account.

For a considerable period, I have been receiving daily debit alerts from my account with no clear explanation or description of the reason for these deductions. On many occasions, I have discovered my account balance in negative figures due to these unsolicited debits, which have caused me financial distress and inconvenience.

Despite raising several complaints at the Kubwa branch, the explanations provided have been unsatisfactory and lack clarity. On speaking with other customers at the branch, I discovered that many others are experiencing similar challenges, indicating a widespread issue.

I am deeply concerned that such unauthorized deductions, if extended to over 10 million customers as observed, would amount to a systemic banking fraud in the Nigerian banking system. It is disheartening that no regulatory body appears to be taking adequate steps to address this matter, leaving customers vulnerable and at the mercy of such practices.

Reliefs Sought:

1. Immediate reversal and refund of all unauthorized and unexplained debits on my account.
2. A detailed statement and explanation for each of the unauthorized debits received.
3. Assurance that my account will no longer be subjected to unauthorized debits.

4. A thorough investigation into the unauthorized debit practices at GTBank Kubwa branch and other affected branches.
5. Intervention by regulatory authorities to protect customers' rights and prevent recurrence of such incidents.
6. Compensation for any financial loss and inconvenience caused as a result of these unauthorized debits.

Conclusion:

I respectfully urge the management of Guaranty Trust Bank Plc and the relevant regulatory agencies to take prompt and appropriate action to resolve this matter. The trust of customers in the banking institution and the integrity of the Nigerian banking system depend on swift redress and transparency regarding these concerns.

Thank you for your prompt attention to this serious matter. I look forward to your immediate response and resolution.
